## Rev. Denny Curran

Denny Curran is the pastor of River of Life Assembly of God in Cold Springs MN. The church was started at a motel with six people who met each week for Bible study. God has blessed River of Life with consistent growth each year. The first service in their new facility was held on June 3, 2001. River of Life has grown to nearly 600 and is in its third phase of a building program.

In 1994 with just under 80 people, River of Life planted its first church in Glenwood MN. Minnawaska Assembly (Glenwood) has become one of the most beautiful churches in outstate Minnesota.

In 1996 River of Life saw a need to plant another church in Freeport MN (former home of Garrison Keillor). Although the community was less than 500 people, the Tri-City AG has grown to become a healthy and strong church.

In 1998, through a series of tragedies, Denny felt a need to place a church in another small community. The city of Becker was a young and progressive community that had no full gospel witness. Today the Becker church is a fast growing community of believers with a youth ministry of 150-200 who meet every Wednesday night.

Pastor Denny and River of Life have also planted churches in the Sartell and Clearwater communities. Denny has a heart to serve God and a passion to reach lost people with a spirit inspired message.

Denny lives with his wife in Cold Springs and has four children. Two are presently in the ministry and have shown an interest in church planting.

Cold Springs is in the heart of MN and is a city of just under 3000 with the 3rd highest concentration of Catholics in the United States.
